

BOAT RACKS 101, LLC

Simply the Best Boat Racks

ANGLED RACKS

“We take you from the ground up . . . inside or outside”

- ◆ Racks angled 30 degrees from perpendicular.
- ◆ Store longer boats in same footprint.
- ◆ Increase storage and ancillary revenue.
- ◆ Increase effective aisle space.
- ◆ Improved efficiency and safety.
- ◆ Manufactured from 100% hot rolled structural steel utilizing I-beam columns and shelf beams.
- ◆ Fully adjustable shelf heights with horizontally adjustable timber clamps.
- ◆ Available in hot-dipped galvanized or painted finish.
